

Magazine Assignment #1 (30 pts)

Elements and Principles

Name _____ Hour: _____

Find photographs (*not a cartoon or other artwork*) from a magazine/newspaper that show the elements and principles listed below. With a black sharpie marker, circle the part of the photo that is showing the element/principle listed below and label which element/principle you have found. On the lower left corner of the photo, write the number that corresponds with the element/principle that is listed below. When finished, compile all of the photos in order (1-15) and staple the stack of photos to the back of this sheet. Remember, you will **only** receive points for pictures that are photographs, not paintings, drawings, etc.
