

## Senior Photo Guideline '09-'10

*The Polaris Yearbook staff is excited to offer the class of 2010 a new opportunity for their senior pictures. For the first time EVER at North High, Seniors can submit their own senior portrait for the yearbook!!*

**Here are the rules and guidelines: Bring these to your photographer!!!!**

1. All seniors must get their pictures taken here at North by Lifetouch for their ID just like when you were an underclassman. This will also be used as your yearbook picture **UNLESS** a substitute picture is taken and submitted.

*If you want to submit your own portrait.....*

1. Final image will be a slightly vertical image in about a 5:6 proportion---so no horizontal shots
2. Images will be cropped to keep head size roughly the same between the images on a page---so head and shoulder type shots will be the best
3. Digital Submissions are preferred---on disc or via email. Mail to North High attn: Mr. Reynolds or emailed to [kreynolds@isd622.org](mailto:kreynolds@isd622.org))
4. 300 dpi
5. Deadline is the Wednesday before Thanksgiving.
6. In order to preserve final print quality, the yearbook staff reserves the right to choose between images submitted and/or edit those images.

**\*If possible, please have your photographer burn a disc for you or email the picture directly to Mr. Reynolds. This will help ensure the final quality of the image.**

**\*\*DO NOT scan photos and email or send them in.....they will not look good when printed in the yearbook!!!!**

Please contact Mr. Reynolds at [kreynolds@isd622.org](mailto:kreynolds@isd622.org) with any questions.  
These guidelines are posted on the yearbook website at:
